Docket No. R2000-1

NOTICE OF UNITED STATES POSTAL SERVICE
OF FILING ADDITIONAL MATERIAL FOR LIBRARY REFERENCE USPS-LR-I-178
(February 10, 2000)

The United States Postal Service hereby gives notice that it is filing today additional material for the following library reference:

USPS-LR-I-178 Materials Provided in Response to MPA/USPS-T15-1 through 8
(Bozzo)

The attached hard copy of Excel spreadsheet "all9398 headers.xls" contains column headings corresponding to the variable names read in by the vv-allied.tsp program from the "all9398.xls" spreadsheet in USPS-LR-I-178. An electronic version of the additional material also has been furnished to the Commission.

It should be noted that the "header" spreadsheet should be added to the electronic version of the library reference as a separate file. While the headers can be inserted into the "all9398.xls" spreadsheet, doing so may compromise the ability of the vv-allied.tsp program to run. Therefore, parties interested in running the program should leave the "all9398.xls" file originally provided in the library reference unmodified, and use the "all9398. headers.xls" file for reference purposes only.
